## Battery Recycling Initiative

FJMC Battery Recycling utilizes the resources of [www.call2recycle.org](http://www.call2recycle.org) an industry sponsored non-profit organization.

Contact them directly at [www.call2recycle.org/sign-up-form/](http://www.call2recycle.org/sign-up-form/) to become a collection site & get started within weeks.

This is a great project for any Brotherhood or Men's Club.

**There are no costs, only benefits.**  
Email your questions & share your experiences at [SH@FJMC.ORG](mailto:SH@FJMC.ORG).
