

## Temple Emunah Brotherhood is excited to host Guest Speaker Tamim Saad Sunday, December 20 at 10 AM

Tamim Saad has worked in the Israeli Ministry of Finance for over 11 years, holding the following positions there:

- CFO for the Capital Markets Authority (current position)
- Senior Management Executive-Commissioner of the Israel Securities Authority, the national securities regulator of Israel.
- Senior Management Executive & Board of Directors Member, Port of Haifa.
- He also founded WamdaTech, a program for nurturing talented, young Arabs in Israel.

During his talk, Tamim Saad will discuss the following subjects:

- How the Israeli Securities Authority, where he was a Senior Management Executive, promotes investments in Israeli companies and high-tech entrepreneurship.
- What is it like for him, as a Druze, to work in the Israeli Government.
- How the Israeli Government puts together a national budget, from a political perspective.
