

In honor of Presidents Day, our offices are closed today. Minyan will meet at its regular time of 6:15 pm this evening.

Staffing Update

Last week Rachel Bray-Spezia informed us she will be moving on from her position as Director of Communications at B'nai Amoona to pursue another opportunity. Rachel has dedicated over seven years to our Shul, and has brought passion and creativity to everything she's touched. We are grateful for all that she has done for the congregation and wish her nothing but the best in her future professional endeavors. Although she will be greatly missed on our staff, Rachel along with her husband, James, and son, Wolfie (current Panda class student in our LRECC), will continue to have a loving home in our Kehillah (community). Rachel's last day at B'nai Amoona will be this **Friday, February 24**. We know everyone joins us in wishing her well and we look forward to seeing the Bray-Spezia family at future events and services.
