Beth El still has a twice a day minyan

NSSBE is one of the few conservative synagogues with twice a day minyan, everyday.

We are very proud that we were able to keep it going through the pandemic with the use of Zoom, and now we are getting back to holding services in person.

Currently, Monday, Tuesday Thursday mornings, as well as Monday and Thursday evenings are being held in person, in the Field Family Sanctuary.

Kabbalat Shabbat and Shabbat Morning services are also in person.

Please [click here](#), for all the information including service times and how to access services virtually if you prefer.

Also, if you have any questions about minyan, I encourage you to ask the clergy or a member of the ritual committee.

Save the date for Men's Club Shabbat and Weekend, January 21st-23rd, 2021

Plan to attend Shabbat Services and support NSSBE Men's club members, while they help lead the service, read Torah and give the D'var.

Plans for additional events that weekend are in the works and more information will be shared soon.
