

Men's Club

Passover is upon us and I would like to take this opportunity on behalf of myself and the Men's Club Board to wish you and your families a happy and healthy Pesach and, if possible, a calorie free Matzoh week.

Attention all Members and Potential Members, the Men's club is looking for you. My goal, as Men's Club President for this year, is to get all of you Potential Members to take that Potential away from your name. Join the Fastest growing Men's Club in the area. Membership forms are all around the Synagogue. We cannot wait for you to join our Journey.

Sunday April 15, come join us for a Men's Club Breakfast with Guest Speaker, Gayle Stevens. Gayle will be speaking about benefits for veterans of ALL wars. I bet you don't know about all the things you are entitled to.

Attention Men's Club Members and Potential Members:

Are you a Non-Caregiver of a Dementia or Alzheimer patient? Are you a sibling, parent, child or grandchild? Do you want to talk about it with others just like you? The Men's Club is starting a Support Group just for YOU! PLEASE call Charlie Deutch at (561) 371-1254 or e-mail at charlesd@cheneybrothers.com to show your interest. We want to start this group as soon as possible and need to know how much cake and coffee to have on hand. Seriously, THIS IS NO JOKE. There are so many support groups for caregivers, but not for the rest of the family and friends. We want to help. Bonnie Greenberg has agreed to volunteer for this important group. PLEASE call as soon as possible to let us know your interest. We will host this support group on a weeknight, so as not to interfere with family commitments. We are thinking about Wednesday evenings starting once a month. This way, the younger generation that drops off Religious school children will be able to attend.

These are just a few of the Men's Club happenings. I did not want to give the full calendar, as the support group is SO important

that I did not want to give too much information to take away from its importance.

Below is a membership form. We are hoping you will show your support so we can have many more functions for ALL to enjoy.

Have a fantastic April and, as always: Please remember that as with Judaism, the Men's Club of Temple Torah is a journey and NOT a destination. Please join us for the ride of your life.

Everlasting friendships are formed, and what a great place to begin your new and exciting journey.
