## IMAM ABDULLAH ANTEPLI

Imam Antepli serves as the Muslim Chaplain at Duke University and is a leading figure in Jewish-Muslim dialogue. In the last couple years, he has been part of some very ground-breaking efforts to further dialogue, including participating with other prominent US Muslims in a trip to Auschwitz, and a letter to Khaled Mashal, the leader of Hamas in Syria, urging him to free Gilad Shalit. Shalit's release came about a month after the letter was published.
