If you would like to be on the email list to support minyan, [click here](#).

If you would like to commit and help the community make a minyan, please [click here](#) or [here](#).

Also, if you have any questions about minyan, I encourage you to ask the clergy or a member of the ritual committee.

As part of our ongoing outreach to the community and in conjunction with both Team Torah and the Mitzvah613 projects, the Men's Club sponsored two Hagbah and Gelilah classes in December. A total of 15 people participated over two meetings, where some came to hone their skills on lifting heavier sefre Torah and others that wanted to learn the mitzvah of lifting and/or tying a Torah for the first time. With the help of Aaron Krumbein and Rick Small, our congregation now has 5 new certified Hagbah lifters Lori Stark, Ellen Krumbein, Elizabeth Uri, JoAnne Blumberg and Jared Kamin. If you are interested in practicing, or learning these skills, please contact [Aaron](#). We look forward to seeing our new lifters on the bima.

With roots and upbringing spanning Yemen, Israel and the United States, Noa is a singer, songwriter, poet, composer, percussionist, speaker, activist and mother of three children.

Together with her longstanding musical collaborator Gil Dor, accomplished musician and co-founder of the Rimon School of music, Noa has released 15 international albums and graced many of the world's most important and prestigious stages like Carnegie Hall and the White House and has performed for three Popes. She has been mentored by Pat Metheny and Quincy Jones and shared the stage with legends such as Stevie Wonder, Andrea Bocelli and Sting.
