# THE STEVEN A. GELMAN MEMORIAL HEALTH FORUM

## Fact Sheet – June 2012

### What is the Steven A. Gelman Memorial Health Forum?

The Steven A. Gelman Memorial Health Forum (SAGMHF) is an annual community-based health awareness program presented by the Men's Club of Temple Beth Shalom, Livingston, New Jersey (TBSMC) since 2001. The purpose of the SAGMHF is to disseminate information regarding health issues and promote health awareness through interactive programs open to the general public free of charge. A SAGMHF event features presentations by a panel of expert speakers, a Q&A session with the audience, and distribution of information on the program topic. The SAGMHF is not a vehicle for the sale of products.

### Who was Steven A. Gelman?

Steven A. Gelman was an officer of TBSMC, long-time member of Temple Beth Shalom (TBS), and dear friend of many at TBS and in the Livingston community. He was active in several local organizations such as the Livingston Soccer Club and Livingston National Little League. A devoted husband and father of two boys, he was first diagnosed with colon cancer in 1997 at the age of 40 and passed away in October, 1999. TBSMC created the SAGMHF in 2000 as a means to honor Steven's legacy of service and serve the community.

### How is the Steven A. Gelman Memorial Health Forum funded?

Funding comes from the support of individual donors, event sponsors, and advertisers purchasing ads in our event program. For the most part, SAGMHF expert speakers graciously donate their time. Only through the generosity of our donors, sponsors, advertisers and speakers can we continue to present the SAGMHF annually to the general public without charge.

### Where has the Steven A. Gelman Memorial Health Forum been publicized?

SAGMHF events have been featured in broadcast media on WNBC-TV's *Weekend Today* and *Comcast Newsmakers*, and covered in such print and web-based media as the *Newark Star-Ledger*, *Asbury Park Press*, *Courier News*, *West Essex Tribune*, *New Jersey Jewish News*, and *The Alternative Press*, to name a few.

### What is the role of a Co-Sponsor of the SAGMHF?

SAGMHF co-sponsors assist with program agenda, event publicity, arranging for expert speakers, and otherwise help SAGMHF present its educational health programs to the community free of charge.

### What topics are addressed by the SAGMHF?

SAGMHF programs over the years have covered a broad range of health-related topics. For the full list of past programs and guest speakers, see page two of this Fact Sheet.

### When was the Eleventh Annual SAGMHF?

*Stroke: What is it? How Can We Prevent It? How Do We Treat It? How Do Families Cope?* was held on Sunday, May 6, 2012 at 7:30 p.m. at Temple Beth Shalom in Livingston, New Jersey. Our co-sponsor was Barnabas Health (fka Saint Barnabas Health Care System).

Our expert panelists for *Stroke: What is it? How Can We Prevent It? How Do We Treat It? How Do Families Cope?* included:

- Terry Carolan, MSPT, NCS, Physical Therapist and Clinical Manager at Kessler Institute for Rehabilitation;
- Kyle Chapple, MD, Neurosurgeon, Saint Barnabas Medical Center; and
- R. Doreen Monks, RN, MSN, APN-BC, CNRN, FAHA, Program Coordinator of The Stroke Center at Saint Barnabas Medical Center.
