A huge thanks goes out to Gail Master, our Youth Commission Chair for lending a hand all weekend long. Gail helped organize and oversee all of the volunteers and I couldn't have gotten through the weekend without all of her help.

## RELIGIOUS School

We finished the month of February with fantastic programs! Grade 6 students practiced the art of delivering a speech in their Bar/Bat Mitzvah Enrichment session about Public Speaking with Rabbi Ungar and 6th grade teachers. We adorned Tefillin at World Wide Wrap and spent time together at Shabbat Shazaam singing and making delicious Mishkanim (Tabernacles). We had a Very Brady Purim, making noise, wearing costumes, and delivering cards and baskets of Mishlochei Manot to Heritage house. It was a wonderful month of Adar!

This month will begin with our first grade students celebrating the start of their formal Jewish studies on Shabbat March 2nd at Consecration. This event with the first grade brings such warm feelings to all of us as we proudly welcome the next generation of students and usher them to take their 'first steps' on the Bima. Tifereth Israel's first graders have been practicing to show off their knowledge of Tefillah and songs during Shabbat morning services. Please join us in celebrating this proud moment; you don't want to miss it--they are SO CUTE! Many thanks go to first grade teachers Marsha Polster, Gail Feinstien and music teacher Linda Schottenstein for preparing our students for this momentous occasion in their Jewish life, Todah Rabah!

In addition to in-depth learning of our heritage, there are more exiting programs coming up. On March 10, our 7th graders will join their parents in Daven n' Brunch. They will pray the traditional Shacharit service and then enjoy a celebratory family brunch. On March 15, Grade 5 students will participate in leading a family Kabbalat Shabbat (Friday Night) service, and Grade 2 will be celebrating at their Family Shabbat Program on March 17. Believe it or not, we will prepare for the celebration of Passover, the holiday of spring, in March. It is never early nor late, it is just on time for spring in Israel!

All these programs and events will not be possible without the help that we receive from the entire congregation! Therefore, we must thank several congregational groups: The Board of Education Sisterhood and Men's Club, We are so fortunate to have your support.

Have a Happy and Kosher Pesach
