Tzedek Application

Tzedek Fellowship

- Are you currently running your own service project?
- Are you interested in expanding your own service project?
- Do you have an idea for a service project that you want to launch?
- If you answered yes to any of these questions, this initiative is for you!

As a Tzedek fellow, you will create or expand a service project, supported weekly by an individual mentor and monthly in cohort learning sessions.

Tzedek fellows will develop real-world entrepreneurship and leadership skills, such as fundraising and grant-writing, budgeting, outreach, and public speaking.

Seed funding and consultation will be made available to grow projects and/or launch new projects.

Fellows must commit to attendance at programs on the following days, as well as weekly meetings with a mentor.
