

Dear Fellow Congregants,

For this year's Yom Hashoah observance, Temple Sinai Men's Club will once again be presenting the Yom Hashoah Hall of Remembrance, honoring the memory of our loved ones lost to the Holocaust and impacted by it.

## ***THE YOM HASHOAH HALL OF REMEMBRANCE***

Yartzeit candles honoring those of blessed memory lost to or impacted by the Shoah will be lit and on display in the lobby of Temple Sinai when people arrive for the ***Yom Hashoah program, 7:00 PM on Wednesday, May 1.*** Each will be personalized with the names of those being remembered and those honoring their memory, on a background depicting burnt parchment to honor Yom Hashoah. Candles may be sponsored in memory of loved ones lost to or impacted by the Shoah or "In Memory of The Six Million". A loving tribute and meaningful focal point at this most important time of reflection.

The Yom Hashoah Hall Of Remembrance is becoming an honored tradition at Temple Sinai. For the sake of safety, flameless LED candles will be used.
